

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and your spouse must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact STUDENT FINANCIAL SERVICES as soon as possible so that your financial aid will not be delayed.

3 INCOME INFORMATION TO BE VERIFIED

A.- TAX RETURN FILERS

Instructions: Complete this section if you or your spouse, if married, filed a 2020 income tax return. The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at www.FAFSA.gov. In most cases no further documentation is needed to verify 2020 IRS income tax return information that was transferred into your FAFSA using the IRS DRT if that information was not changed.

STUDENT

I, the student, **have used** the IRS DRT in FAFSA on the Web to transfer 2020 IRS income tax return information into the student's FAFSA.

I, the student, am **unable or choose not to use** the IRS Data Retrieval Tool, and I, the student will submit to the school a copy of the student's 2020 IRS Tax Return Transcript(s) – or sign photocopies of the income tax return.

SPOUSE

I, the spouse, **have used** the IRS DRT in FAFSA on the Web to transfer 2020 IRS income tax return information into the student's FAFSA.

B.- NONTAX FILERS

Complete this section if you or your spouse, if married, will not and are not required to file a 2020 income tax return with the IRS. The student and/or spouse, not filing in 2020, must provide copies of 2020 W-2's and submit proof of non-filing from the IRS. (Go to www.irs.gov, click on "Get a Tax Transcript," create an account, then select "Verification of Non-filing Letter") or Submit our statement of non-filing to the Student Finance Office.

Neither I, the student, nor my spouse if I am married, were employed and had no income earned from work in 2020.

Either I, or if married, my spouse was employed in 2020 and have listed below the names of all employers, the amount earned from each employer in 2020, and whether an IRS W-2 form is provided. **[Provide copies of all 2020 IRS W-2 forms issued to the student by their employer.] List every employer even if the employer did not issue an IRS W-2 form.**
